UNSERE PHILOSOPHIEN

Our customers' holiday experiences are shaped by many things: a smooth arrival and departure are crucial, the accommodation locally must offer excellent facilities, and the weather and the surroundings must be perfect. But it is only our hotels that create the overall holiday experience to fulfil every wish, every desire and every destination 24 hours a day.

With the hotel philosophies that we live and breathe, along with our carefully selected locations and resorts, we are able to make every wish come true and turn a trip into a real holiday.

Our hotels – the home of holiday experiences.

The hotel brands from DER Touristik are grouped under the umbrella brand of DER Touristik Hotels & Resorts.

Important note: Over the next few pages, we introduce you to the new hotel brand concepts for Iti and Calimera. Please note that the new hotel brand concept will be implemented in the following Iti and Calimera hotels from summer 2020:

- Iti Bellevue Park (NBE)
- Iti Akassia Beach (RMF)
- Iti Maafushivaru Maldives (MLE)
- Calimera Serra Palace (AYT)
- Calimera Sirens Beach (HER)
- Calimera Akassia Swiss Resort (RMF)

The Iti Asterias Beach Resort (RHO) and Calimera Yati Beach (DJE) have been operating under the new concept since summer 2019. The concept will be successively introduced to the remaining hotels.

COOEE

[ku:'i:]

COOEE: A call that connects!

COOEE [ku:'i:] – in the Aboriginal Dharug language it means, "I'm here – where are you?" We're taking up this call. And we're calling...you! Come to us and you'll find the lust for life that defines you. Here you'll find the environment to match your lifestyle. And people that tick just like you.

In short: the perfect holiday for stylish requirements – so diverse that the call of COOEE draws you no matter what time of year. But we must warn you: once you've been here, you'll always heed our call.

COOEE – We're here, where are you?

Sunshine. Great. And inexpensive!

Our friendly hotels are always situated near the beach and offer all-year-round relaxation under southern, sunny skies for holidaymakers of all ages. All PrimaSol hotels are renowned for their friendly atmosphere. As well as food and drink, the extensive all-inclusive concept also incorporates an easy-going entertainment and sports programme that brings a little variety to a holiday. Parents can also sit back and relax thanks to PrimaSol's professional childcare for 4 to 12-year-olds. And last but not least, the excellent value for money that PrimaSol offers means that the holiday budget can be maximised without compromising on fun or enjoyment.
