CALIMERA – THE HOTEL BRAND FOR FAMILIES

Calimera – that's a family holiday with everything you could wish for: a wide range of sports and entertainment activities for children, teenagers and adults, and all-inclusive packages.

Families can enjoy a varied holiday, Calimera style!

The large communal tables and the '**Beach Community Hub**' – a chill-out area on the beach – offer a variety of places to socialise. The pools and splash parks promise fun for all ages.

Culinary highlights are provided by the various buffet restaurants, designed in the style of a market square. Children are in good hands at the **Calimigo Kids Club**, and teenagers will find plenty to enjoy in the Teens Lounge. And the Calimera rooms, with their family-friendly facilities, help to make every day special. **Have a nice day!**
